

BUREAU OF INDIAN AFFAIRS

Water Corps Program

APPLY TODAY TO OUR WATER RESOURCES PROGRAM!

Interested in a water resources career? The WaterCorps program - run by the Bureau of Indian Affairs and Stewards Individual Placements - is a 26- week long service term that includes professional training and in -the- field, hands-on learning in the study of water resources. WaterCorps members are exposed to a broad array of subjects ranging from basic surface and ground water hydrology, hydropower, flood-control, data collection & analysis, population studies, and more!

Who can apply?

Applicants must be ages 18-34 and a member of a federally recognized Indian Tribe, Band, and/or Village (will need to complete a Form 4432), with a HS diploma or GED.

Where is the program?

Members are placed with local, state, and federal agencies, and non-profit organizations across the country!

What are the benefits?

- \$600 living allowance per week
- \$3,447 AmeriCorps Education Award
- Travel to/from training and internship site
- Student loan forbearance during AmeriCorps service
- Educational and professional experience

When is the program?

Positions will start between May-November 2024
