

## FORT SUMTER NATIONAL MONUMENT (SC)

Alexandra Barbee was born in Albuquerque, New Mexico and was raised in sunny and hot Tucson, Arizona. She graduated from the University of Arizona with a BA in History (emphasis in the American Civil War) and minor in Pre-law. After college she worked as a Park Guide at Harpers Ferry NHP in Harpers Ferry, West Virginia where she was finally able to live where the war among states occurred. After HAFE life took a turn towards pixie dust and magic and she spent the past four years at the Disneyland Resort in Orange County, California with the Entertainment/Character/Parade Department. Alexandra has visited 83 National Parks and aims to use her time with AmeriCorps to open doors with a career in the National Park Service interpreting the Civil War for future generations to come!
