

## **Hagerman Fossil Beds National Monument (ID)**

Erryn Phillips is 28 years old. She was born in Montpelier, Idaho but moved to Blackfoot, Idaho when she was 6 years old. She attended Snake River High School and graduated in 2008. Erryn later attended Idaho State University and received many medical certificates including her C.N.A. In 2013 Erryn moved to Jerome, Idaho where she met her significant other, Chase. They have a house in Jerome and 2 dogs, and they both love the outdoors. On the weekends you can find them hiking, fishing, camping, or just enjoying family out on the lake. Erryn is currently attending CSI in Twin Falls Idaho and plans to graduate with her teaching degree. Erryn hopes to be able to teach health wellness and the importance of being active. Erryn would like to see the youth of today outside enjoying nature, being involved in their community, and staying active.
