

Vicksburg National Military Park (MS)

Danielle (Rose) Rains was born and raised in Jacksonville, Arkansas and is currently in the pursuit of knowledge double majoring in Business Information Systems and Computer Science from the University of Arkansas at Little Rock. In this pursuit, she has had many learning experiences from working for a Virtual and Augmented Reality lab called the Emerging Analytics Center, working in the NASA Space Grant office for her state, and is now bringing her experience to the Vicksburg National Military Park in Mississippi. She is an extremely motivated individual looking to learn all she can from a wide range of experiences to help her community, state, and country.
