

ROCK CREEK PARK (DC)

My name is Lauren Macklin, and I am the current CVA at Rock Creek Park. I will be completing my senior college internship as a CVA while I pursue my undergraduate degree in Recreation, Parks, & Leisure, with a concentration in Interpretation and a minor in Museum Studies. I am gaining experience as a CVA working with volunteers and interpretation with the goal of working for the National Park Service as a career. I am excited to work with our amazing volunteers and continue working with our great partners.
