

## LOWELL NATIONAL HISTORICAL PARK (MA)

My name is Olf Mouyaka. I am from Lowell Massachusetts. I was born in the Republic of Congo. I have been in the United States for 10 years. I graduated from Merrimack College in North Andover MA where I earned my degree in both French and International Business. Two things I am passionate about include: the game of football (soccer) and Community service. Over the past 7 years I have worked at Lowell National Historical Park as a seasonal Park Ranger. This year I am excited for my new adventure as a CVA here at LNHP. In this position I hope to create meaningful and long lasting partnerships between LNHP and various community organizations or institutions while strengthening already existing ones.
